RESPONSIBILITY

The liability of Little Europe (which is a project of Condor Travel d.o.o.) is strictly limited. It will not be held responsible for amounts in excess on the amounts payable to it, nor will it be liable fo any consequential indirect or incidental damages arising from this agreement. Little Europe (which is a project of Condor Travel d.o.o.) purchases hotel accomodation, airfares, restaurants and other services from independent suppliers not under our control. We serve only as agents of this suppliers in securing expedition arrangements and therefore will not

accept responsibility or liability for wrongful, negligent, or arbitrary acts or omissions of these independent contractors, their employees, agents, servants or representatives. We (Condor Travel d.o.o.) are not liable for injury, damage, loss, accident, or delay that may be caused by events not within our control, including without limitation, acts of terrorism, war, strikes, epidemic outbreak, the defect of the vehicle, or the negligence or default of any third party. All air coupons are issued subject to the terms and conditions specified by the air carriers.

We reserve the right to change the itinerary - change the hotel (in which case the alternative accommodation will always be of the same or better quality), or the airports we fly to/from, to turn the itinerary upside down, but apart from some unforeseen circumstances (like weather conditions, water level, passenger safety) we will always make sure that nothing that is written in the itinerary will be omitted. We also reserve the right to remove any passenger if our driver/guide is determined that would be in the best interest of the health, safety and general well-being of the other travelers. In this case we assume no financial responsibility for any unused portion of the expedition.

We tend not to cancel our expeditions, if there are at least two couples (4 travellers) booked to the selected expedition. We may even do it for less than that but it may result in additional costs. In the unlikely event that we do cancel, full refund will be made at least 10 days before departure.

TRAVEL DOCUMENTS

You will have to carry a valid passport and if the selected expedition requires an additional visa, we will send you the appropriate information, once you book our expedition. We will not be held responsible if there are any problems in obtaining the document.

OTHER

Our expeditions require some walking, uphill and many times on the uneven cobblestone streets. People who are not in reasonably good health condition or require special help (like using the wheelchair) should have a companion who will assist them and let us know beforehand. Our driver/guide will be of help but cannot offer full time assistance. Smoking is not allowed in the maxi-van. There will be a lot of stops along the way, so that smokers should have time to smoke as well. It is also not allowed to smoke on the airplanes and in the majority of hotels. Where the smoking rooms are available, we will make an effort to book them for our smoking travelers but we cannot be held responsible when only non-smoking rooms are available.

Reserving the seats on the maxi-van is possible (on the first come – first choose basis) but we reserve the right to change the seating order if that is necessary.
